Okie-Tex Observing Lists

- Do either Basic or Advanced list.
- There are four lists of 5 each for each quadrant of the sky.
- Objects will be in the sky at or shortly after sunset . . . no late nights!
- Each list has a Wild Card entry. You can substitute a target of your choice for one on each list.
- Wild Cards must be Mag 8 or brighter for Basic lists and Mag 11 or dimmer for Advanced.
- For fun only, and NO pins or Certificates will be awarded.
